

Liberty Elementary Supply List 2019 - 2020

The recommended supply list is provided as a courtesy for parent requests.

The grade level lists are **suggested** to assist in providing each child personal materials and help off-set maintenance and operation costs. Many of these supplies will need to be replenished throughout the year so we recommend buying items in bulk during the sales and keeping them at home until needed.

The right tools are important for academic success!
