Dear Parents,

As I embark on my 9th year as principal of Liberty Elementary, I cannot help but be in awe of what we have built as a school community. Our traditions still pay homage to our history, and yet I see a legacy of innovation with our Agriscience focus. I am so grateful to be a part of our school signature program that honors our school community. I know you join me in the pride I hold in our history and what the future holds.

We have many new teachers to welcome this year as we are adding a classroom to nearly every grade level due to growth! We are also welcoming a new instructional coach in Stephanie McCorkle, and a new part-time assistant principal, Ms. Sarah Schaefer. Both bring a toolbox of knowledge ready to serve our students! I know you will join me in welcoming all new staff and students to our Liberty family!

Please make sure you are spreading the word about our school in the community and recruiting new registrations so we can ensure we have appropriate staffing for this school year. Also, our Open House/Meet the Teacher Night will be Monday, August 5th from 5:00-7:00 pm. Class lists will be posted on this evening, and we look forward to planning for the future with you and your child's new teacher. Supply lists are available on our Instagram/Facebook pages.

Thank you again for the dedication you show to our school community. As we embark on a new school year, please let me know if you have any questions, comments, or dreams you would like to convey. I look forward to creating a shared vision. Thank you as always for partnering with us in your child's education.

Yours in PRIDE,

A handwritten signature in black ink, appearing to read "J. Gray", with a long, sweeping flourish extending to the right.

Jennifer Gray  
Principal
